

Spend Less Time in the Kitchen Let the "Caloric" Do Your Work

There absolutely no need of you spending so much time in the Kitchen preparing the three daily meals. You can just as well have more time for other, more important things. By the ordinary method of cooking you spend fully two-thirds of the day in the Kitchen.

This is entirely unnecessary if you will use a CALORIC FIRELESS COOKSTOVE. Come to the "CALORIC" demonstration on the date mentioned below and bring your friends.

Begging Wednesday 17th, to and including Saturday 20th.

CITY COUNCIL MEETING

At the adjourned meeting for April of the city council at 4 o'clock yesterday afternoon the mayor and all the aldermen were present. Mr. S. H. Dunlap appeared to answer the matter of the alley being closed in the block wherein his gin is located, and after hearing his statement the council ordered that all alleys in that block be opened or all could remain closed.

Wardman C. G. Walker was unanimously elected president of the board.

The three members of the school board whose terms expire were re-elected.

The question of the fire companies was discussed and laid over.

The mayor's message to the council was read.

The appointment of the committees was deferred.

The matter of leaving an alley along the H. & T. C. right of way from Anderson street to Moseley street between the H. & T. C. tracks and property recently sold by the city to Eugene Edge, was discussed. Mr. Edge proposed that he would redeed the

said strip to the city for an alley, provided the city would deed to him the strip between his property and the fire station. The mayor and finance committee were given power to act in the matter.

WON IN THE NINTH BY THE FARMERS

Higginbotham of A. & M. and Daniels of T. C. U. Fought Out Pitchers' Duel.

Texas Christian University and A. & M. College went into the ninth inning 1 and 1 yesterday afternoon, and when the Christian failed to score and the Farmers sent the first man up over the plate before a man was out victory was theirs.

It was a good game. Daniels and Higginbotham each pitched good ball and the men behind them were active and on their toes. Well matched, the two teams put up a fine article of sport and applause was generous for both the home club and the visitors all throughout the playing.

The Farmers made the first score in the second. In the fourth the visitors were about to tally one with clever base running, but Bruton broke it up by fast fielding. In the eighth the hitting pitcher for the Christians, Daniels, lined out a good one, which brought in a run. But the ninth was short-lived. The first three men to the bat for the visitors went out, and the first man for the Farmers scored on a hit by the second man to bat, and the game was over.

The remarkable thing about the game was that all the putouts credited to Farmer players were to but two men, the catcher and first baseman, except when in the last inning the shortstop caught a high fly.

These teams are playing a second game at Kyle Field this afternoon.

FUNERAL OF MRS. DILLASHAW

The remains of Mrs. Harry Dillashaw, notice of whose death was given in yesterday's Eagle, arrived this afternoon and were laid to rest in the city cemetery, the funeral being conducted directly from the train. Rev. J. N. Thomas conducted the funeral services, and the following gentlemen acted as pall-bearers: E. W. Crenshaw, E. J. Fountain, J. D. Martin, Norman Stewart, P. H. Hensarling and John F. Eittle.

Mrs. Dillashaw was married to Mr. Harry Dillashaw in 1890. Besides her husband and one son, Mrs. Dillashaw is survived by her aged mother, Mr. Love Dillashaw; four brothers and four sisters: P. S. Dillashaw of Hico, Walter and Tom Dillashaw of Greenville, Sam Dillashaw of California, Mrs. Annie Stovall of Robinson, Mrs. Sallie Henderson of Houston, Mrs. Love Roland and Miss Laura Dillashaw of Gatesville.

Death of a Child.

The baby of Mr. and Mrs. Oscar Kurten of Kurten died at 3 o'clock this morning after a long illness with meningitis. It was buried at 4 o'clock this afternoon in Kurten cemetery. The bereaved parents have the deep sympathy of all in their great sorrow.

TELLS WOMEN HOW TO HAVE CHARMING HAIR.

Rough, coarse hair is unnecessary; so is faded, dull looking hair.

Dandruff and scalp itch are both caused by an accumulation of scurfy filth and can easily be gotten rid of.

Dandruff germs cause falling hair and diseases of the hair and scalp, and should be destroyed.

If you have any of the hair troubles mentioned above E. J. Jenkins, the druggist, will guarantee PARISIAN SAGE to end every one of them or will refund your money.

PARISIAN SAGE is a delightful hair dressing that is being used today by many thousands of lovely Americans who detest uncleanness. Large bottle 50c.

STREET & BORN GOT THE CONTRACT

Will Erect Y. M. C. A. Building at College—Both Contractors Are A. & M. Graduates.

The contract for the construction of the Y. M. C. A. building at A. & M. College, which is to be erected by voluntary subscriptions through the efforts of the alumni association, was awarded to Street & Born of Houston on a cost plus basis.

The two contractors who have been given this contract were classmates at the college. They graduated in 1905. In his senior year at the college Thomas C. Born was captain of "C" company and Gus C. Street, Jr., was captain of "A" company. They have both taken a great interest in the college ever since they left it as fellow-graduates, and when it came the time for the alumni committee to let the contract these two young men, partners in business as they were partners in college, put in their bid and the prize was given them.

The contract provides that the work can be continued and stopped from time to time as money by voluntary subscription is available.

Final Goodwin Payment.

San Francisco, Cal., April 16.—Nat Goodwin, the actor, will be called upon today to make the final payment of the \$55,000 settlement which the much-married Thespian agreed to make on his divorced wife, Edna Goodrich. The first payment was made last December, when Goodwin paid over \$15,000 to Miss Goodrich's attorneys. The second payment of \$30,000 was made in January, and a mortgage of \$28,000 was placed on an apartment house owned by Mr. Goodwin in this city as part of the sum. The final payment of \$10,000 is due today, with \$5000 additional fees for the attorneys and \$8000 for the trustee, L. H. Dudley of Los Angeles. In the records here "Nat" appears as Nathaniel Carl Goodwin, Jr.

Connecticut Republicans.

New Haven, Conn., April 16.—This city, for four years the college home of President Taft, will be the scene of the Connecticut state republican convention this evening and tomorrow. The first session this evening will be devoted to organization and preparatory work for the real business of the convention, the naming of delegates to Chicago, which will take place tomorrow, beginning at 10 o'clock. Many delegates are here today and there is considerable Roosevelt sentiment manifested, but it is not believed the colonel is strong enough to overcome the Taft lead.

Son of D. R. Francis Weds.

Chicago, April 16.—Thomas R. Francis, son of David R. Francis, former governor of Missouri, head of the St. Louis exposition, and at one time an entrant in the race for the democratic presidential nomination, will be married here today to Miss Lolla Waters, daughter of the Rev. and Mrs. William O. Waters. The ceremony will be performed late this afternoon at the fashionable Grace Episcopal church, of which the bride's father is the rector.

Rhode Island Caucuses.

Providence, R. I., April 16.—Republican caucuses to choose delegates to the state and congressional conventions to be held here a week from tomorrow are scheduled for this evening. The caucuses will be held by assembly districts and fifty-two delegates to the state convention, which will choose delegates to the national convention, will be named. Both Taft and Roosevelt boomers are busy today among the republican voters.

FOR COUNTY SCHOOL SUPERINTENDENT

The Eagle is authorized to announce Prof. T. W. Parker as a candidate for re-election to the office of county school superintendent, subject to the action of the democratic primary.

Prof. Parker is serving his second term as county superintendent, and his duties, which require him to spend more than half his time visiting the various schools, has of course brought him in close touch with the people, and he is therefore well known throughout the county.

Prof. Parker has made an excellent official. He has been faithful and untiring in the discharge of every duty connected with his office. The results of his efforts are apparent on every hand. There is absolutely no comparison between the rural schools of the county now and when he went into office. He has worked constantly to improve the teaching force—to secure high grade teachers and build up the schools of the county. As a result all have been imbued with his enthusiasm on this subject, the teachers have gotten the spirit, have studied modern methods and as a result there is not a better rural teaching force in Texas than there is in Brazos county.

Better teachers is not the only result, but the schoolhouses of the county have been improved more than a hundred per cent. Many districts have erected new buildings, and all have made improvements, added new and modern furniture, etc.

Better than all that, Prof. Parker has instilled into the farmers of the county that their children come first; that their education, their training, their environments, their opportunities are far more important than their farms, their mules, their Jersey cattle and other chattels. He has created a new era and Brazos county has awakened from its long sleep on the subject of education.

The Eagle takes pleasure in placing his name before the voters of the county.

Notice.

There will be a meeting of the Brazos County Democratic Executive Committee Friday, April 19, 1912, at 1:30 p. m., at the courthouse, to decide the method of selecting delegates to the state presidential convention.

County Chairman.
